

The best in world-class photography

New: Hardcover as of June 2008

- **The series of successful special issues from STERN.** STERN FOTOGRAFIE features the works of the world's top photographers.
- **STERN is home to the world's best photography.** Such famous photographers as Michel Compte, Peter Lindbergh, Mapplethorpe, Annie Leibovitz, and James Nachtwey regularly contribute to the weekly issues of STERN.
- **STERN FOTOGRAFIE shows only the very best.** Every quarterly issue focuses on a single world-class photographer, presenting a selection of their very best photographic works.
- **A valued and popular collector's item.** The circulation of each issue of STERN FOTOGRAFIE is limited to just 10,000 copies; every copy is numbered.
- **Top quality photographic reproduction.** STERN FOTOGRAFIE is printed in extra-large format on the highest-grade paper stock and in first-class print quality.
- **Exclusive environment for advertising.** With a high cover price of € 15.00 and incomparable optical design, STERN FOTOGRAFIE offers one of the most exclusive environments available for advertising in Germany.
